Possible Version 1:

It's a Chinese tradition to set off fireworks during the Spring Festival. However, different people have different opinions. Some are for it while others hold a different view.

Personally, I'm in strong favor of setting off fireworks at the right time and proper places. For one thing, it's a wonderful Chinese tradition, which brings people a lot of joy and excitement, 2023 年河南省普通高中毕业班高考适应性测试 英语试题参考答案 第 1 页 (共 3 页)

adding to the festive atmosphere; for another, the flowers of different colors blooming in the sky carry our best wishes for a better life.

In brief, we should keep it as a way to celebrate the Chinese New Year, but safety must come first when doing it.

Possible Version 2:

It's a Chinese tradition to set off fireworks during the Spring Festival. However, different people have different opinions. Some are for it while others hold a different view.

Personally, I am against setting off fireworks. For one thing, setting off too many fireworks brings pollution to air. For another, there is a chance that some people, especially kids, get injured. In addition, sparks dropping everywhere will possibly lead to fires, unfortunately forcing the police and doctors to do more work, which should have been avoided.

In brief, it's high time for us to abandon this way of celebrating the Chinese New Year.
